What happened in Spring 2001?

> Won Merit Table match against KU 9-8 to clinch our 7th consecutive Heart of America Collegiate Championship

> Stumbled in the closing minutes to a tenacious Louisiana State University in the WRFU Collegiate Championship quarter-finals

> First time since 1994 that Truman Rugby has not been in the WRFU Final Four

> Former Truman Rugger, John Tarpoff, represented the Western Rugby Union at the Collegiate All-American Trials and was selected as a 2001 Collegiate All-American; he will accompany the Collegiate All-American Team on tour to Ireland September 2001

CLUB GOALS for Fall 2001

- 1) Recruit competitive athletes to play Truman Rugby
- 2) Develop new and returning players to fill all open slots in both the A & B teams
- 3) Refresh our “winning attitude” and rediscover “how to win the close ones”
